

Signs of God's Love in John's Gospel

You are invited to be part of a Lenten Scripture study, looking at 7 stories in the Gospel of John. The fourth Gospel doesn't use the word "miracle" but rather "sign" to describe the amazing things Jesus did. For the Apostle John, Jesus amazing signs serve to point us to God, disclose God's Glory, and assure us of God's love in every sort of moment in our lives.

Our study of these seven episodes in the life of Jesus as told by John will engage us, draw us closer to our Saviour, and perhaps give us some needed encouragement during these rather difficult days during Covid-19.

Doing this in person would of course be our preference. But at this time that is not permitted so we will meet by Zoom. (Don't worry about the technology – as long as you have a tablet, smart-phone, or computer and an internet connection – you will be able to fully participate. Graham Blenkhorn is looking after the technology and will help with connecting – so if you would like to be part of this study, we can make that work.

Sessions will take place by Zoom on Wednesday mornings. Each will begin at 10 AM and conclude about 11:30 AM.

Sessions will begin with an opening prayer, reading of the day's scripture text, and Canon Hodge teaching for about 15-20 minutes. Then we will have about 45-50 minutes of small group discussion facilitated by Mary Blenkhorn. If our attendance grows past 12 people, we will use some Zoom 'break-out' rooms.

Everyone is welcome – beginners and novices at Bible Study will not feel left behind. If you have never been to a Bible Study before you will feel perfectly at home. Our goal is to make God's word easily accessible and understandable for all. Join us. For more information or to register please call Trinity Church Office - 519-542-9261.
